

WINE & SOUL

Wine & Soul belongs to Sandra Tavares da Silva and Jorge Serôdio Borges. In 2001, the married winemakers decided to make a wine together and so Pintas (named for their restless pet pointer) was born.

Sandra and Jorge hand selected a 78-year old south-facing vineyard planted with more than 30 different indigenous grape varieties.

“Our goal is to create wines that express all the character of the traditional vineyards and varieties from Douro Valley. We want to create wines that offer a balance of concentration, complexity and elegance.”

In 2003 the first Pintas Vintage Port was made from the same vineyard as Pintas, and in 2005 the first Pintas Character was produced from vineyards located in Pinhão Valley.

Jorge and Sandra then embarked on a new project: to produce a white wine of superior quality, a challenge they consider to be complex, yet achievable.

Guru is the expression of this challenge: 2006 Guru '90 points on a Parker rating; 2007 Guru '89 points on a Parker rating.

Wine & Soul Pintas: 2006 Pintas '96 points on a Parker rating; 2005 Pintas '95 points on a Parker rating.
